

# LAFFORT

*l'œnologie par nature*

---

## GENERAL CERTIFICATE

---

LAFFORT certifies that **ALL THE PRODUCTS OF THE LAFFORT MARK:**

### 1. CODEX and ALIMENTARITY

are, within their oenological regulated used, suited to the development or the contact of intended products to human direct consumption.

They comply with the European regulations of food additives (Regulation (EU) n°231/2012) or foodstuff auxiliaries, as well as oenological products (*Oenological Codex* and *Code of Oenological Practices* of the International Organisation of Vine and Wine, OIV).

The certificate ISO 22000 delivered to LAFFORT is the proof of its conformity with the *Alimentarius Codex*, the rules of hygiene and good manufacturing practices.

### 2. CONFORMITY

are in accordance with the Regulation (EU) n°1308/2013 establishing a common organisation of the markets in agricultural products (« Single CMO Regulation ») and which modalities of application are fixed by the Delegated Regulation (EU) n°2019/934 on the common organisation of the market in wine.

They are in accordance with the specifications detailed in their data sheets.

### 3. TRACEABILITY

are traced by a powerful software of traceability (traceability upstream and downstream of each product).

### 4. NOT GMO

are not, in view of the certificates communicated by our various suppliers, from Genetically Modified Organisms (GMOs) and do not contain a GMO within the meaning of part A article 2 of the Directive 2001/18/EC. They are not food products or ingredients obtained entirely or partially starting from genetically modified substrates concerned with the Regulation (EC) n°1830/2003 ; this indicates the absence of cloning.

### 5. NOT IONIZING

do not result from ionizing treatment nor of irradiations.

### 6. NO NANOTECHNOLOGIES AND NON NANOPARTICLES

do not result from the use of the nanotechnologies and do not contain nanoparticles **except** Siligel and Toxical.
